

Dear Parent,

September 2016

Music Theory Club

Music Theory club will run every **Tuesday after School 15.45-16.45** in the music room. The first Music Theory class will begin on Tuesday 13th September. These classes will be open to students who are interested in the theory behind music. This will not only develop their understanding of notation better but it will also impact on their classroom learning.

Please collect your child promptly from the main school playground at 16.45. Any child who has not been collected will be taken to After School Club at 16:50.

If you would like your child to continue/start to participate, please return the reply slip below.

Regards,
