

Copy To Retain for Pupil and Parent Reference

Instrument Take Home Contract for Pupils and Parents

Dear Pupil and Family

We are so pleased that your son/daughter is getting the opportunity to take part in a new music initiative here at Hydesville Tower School. Pupils are getting the opportunity to learn an instrument in a classroom environment for free for the academic year.

These instruments are very valuable both as musical instruments and as tools for learning. Taking home an instrument for practice at home can be fun and helpful to the learning, but you must remember the rules for proper instrument care and ownership.

These rules include:

- Do not leave your instrument in the car.
- Do not place next to a radiator.
- Do not leave your instrument anywhere it will experience extremes of temperature or in areas where cracking or damage may occur.
- Do not allow anyone but you or your parents or guardians to handle your instrument.
- Contact your teacher if any damage happens to ensure a quick fix for future classes.

Pupils have already had multiple sessions on how to care for the instruments and how to handle them properly. Please understand you will be liable to pay for any damages caused to the instrument.

By signing a copy of this letter, you are agreeing to abide by the rules of care and understand that you are responsible for the instrument while it is loaned to you.
