

Dear Parents,

6th January 2017

GCSE Revision Guides for Science

I am delighted to inform you that we have ordered GCSE Biology, Chemistry and Physics Revision Guides at a reduced cost £7.00 each. The revision guides will enhance your child's learning outside school, support them with completing their homework and revision for internal and external exams. It is essential that your child has a revision guide that corresponds to the school's chosen examination board.

Please return the slip below together with payment for the revision guides you wish to purchase.

Kind regards,

Mrs R Chattha
Head of Science
