

Dear Parents,

25th January 2017

**A*STARS (Active Sustainable Travel & Road Safety) Programme
Year 2 Scooterability**

At Hydesville we are working with the Council's Road Safety Team on the A*STARS programme to encourage the uptake of safe sustainable travel for all school journeys.

The programme will include road safety training for your child. Part of the process is a scooterability course. This will develop pupils' awareness of road safety and teach them how to ride their scooter safely, in a fun and active way.

The course will take place in school on **Friday 7th April** and will last for approximately 2 hours. Pupils will need to bring their own scooter to take part in the course. If pupils do not have their own scooter, we will try to make other provisions for them.

Please complete the slip below to indicate whether you would like your child to take part in the scooterability training.

Yours sincerely,

Miss G Michaelides and Mrs N Watson
Year 2 Class Teachers

**A*STARS (Active Sustainable Travel & Road Safety) Programme
Year 2 Scooterability**

I give consent for : _____ to take part in the scooterability training on **Friday 7th April**.

My child does/does not (please delete as appropriate) have their own scooter to bring into school for this training.

Signed Parent: _____
