

Dear Parents,

10<sup>th</sup> March 2017

**Nursery Wraparound Provision**

I am writing to inform you that as from Monday 13th March we will be moving Nursery tea time wraparound to the Nursery room situated next door and for safeguarding purposes the children will be released from the double doors which open out onto the Nursery playground by the Nursery gate.

We envisage that the changes will assist in the smooth running of wraparound when the Early Years Wraparound team are getting the children ready hand over to you at the end of the day.

Many thanks for your continued support.

Yours sincerely
