## TEACHER OF MATHEMATICS

We are seeking a highly motivated and inspiring Teacher of Mathematics for September 2017 to join our highly committed and professional team. This post would suit an experienced practitioner looking to broaden their experience or a newly qualified teacher, who is committed to raising standards at all levels; delivering excellent lessons and enthusing pupils through their passion for the subject. The successful candidate will be able to teach Mathematics to pupils of all abilities across Key Stages 3 to 4 with the drive and enthusiasm to progress to a level of higher responsibility, should the opportunity arise. The ability to work as a member of a team and a willing approach to sharing and developing best practice is essential. The offer of an additional subject would be desirable but not essential.

You will:

- Be highly motivated and an excellent classroom practitioner.
- Inspire pupils to succeed in Mathematics.
- Have in depth subject knowledge.
- Have excellent organisational skills.
- Have the ability to generate enthusiasm for the work of a department.

We offer:

- A pleasant working environment with good resources.
- Supportive colleagues and community
- Enthusiastic and motivated pupils
- Small class sizes

This is an exciting opportunity to join a flourishing 3-16 co-educational, independent day school, part of the Cognita group of schools. If you are passionate about the life chances of young people and possess the expertise required to teach in an environment where children of mixed abilities excel, then we would love to hear from you.

Consistent with our traditional values, classes are small, behavioural standards are exceptional, and pastoral care is second to none. We are very focused on top quality teaching and learning, and expect all of our pupils to make exceptional progress.

We have a passion for your personal and professional development; there are the longer term career opportunities that exist in a company which owns 45 schools in the UK.
