We welcome applications from experienced practitioners looking to broaden their experience or a newly qualified teacher, who is committed to raising standards at all levels; delivering excellent lessons and enthusing pupils through their passion for the subject.

All staff within Senior School are actively involved in the pastoral life of school. The role will also offer the opportunity to contribute to the varied and vibrant array of extra-curricular clubs and enrichment.

You will:

- Be highly motivated and an excellent classroom practitioner who can ensure good progress for all.
- Inspire pupils to succeed in Geography and RS.
- Have in depth subject knowledge and experience of delivering the subjects at GCSE.
- Have excellent organisational skills.

We offer:

- A pleasant working environment with good resources.
- Supportive colleagues and community
- Enthusiastic and motivated pupils
- Small class sizes

This is an exciting opportunity to join a flourishing 3-16 co-educational, independent day school, part of the Cognita group of schools. If you are passionate about the life chances of young people and possess the expertise required to teach in an environment where children of mixed abilities excel, then we would love to hear from you.

Consistent with our traditional values, classes are small, behavioural standards are exceptional, and pastoral care is second to none. We are very focused on top quality teaching and learning, and expect all of our pupils to make exceptional progress.

We have a passion for your personal and professional development; there are the longer term career opportunities that exist in a company which owns 67 schools worldwide.
