## A note from the Joint Acting Headteachers

We welcomed our new Headteacher, Mr Honey, to Hydesville at the start of this week when he held two special assemblies for children in Prep and Senior School. As part of his visit Mr Honey was able to meet any of our pupils and present a number of achievements and awards. We are so proud of the successes of all our pupils so it was lovely to be able to share these achievements with Mr Honey.

This is such a wonderful time of year when the culmination of a year's hard work comes together in end of year shows and performances. A huge well done to pupils in Senior School whose production of Alice in Wonderland on Wednesday evening was fantastic and now look forward to the Summer Arts Showcase in the bandstand in Walsall Arboretum at 6.30pm on July 11<sup>th</sup>. We hope you all received our invite to the event and we hope to see many of you there.

We also hope you are able to join us to cheer on the dads and teachers at tonight's charity football match, which kicks off at 7.30pm at the Astro turf pitch at the University of Wolverhampton (Walsall Campus). We have received confirmation that the teachers have a secret weapon this year - Mr Honey will be making his debut performance!

Finally, the final GCSE exam took place today, so we wish our year 11 pupils a safe and restful summer, and look forward to seeing them on results day, Thursday 24<sup>th</sup> August.

### Early Years monkey around for charity!

A huge thank you to everyone involved for their support during our EYFS Cheeky Monkey Marathon Challenge this week – completing one lap of the lake in Walsall Arboretum to raise money for the UK's leading national children's charity, 'Children with Cancer UK'. Children and their families had a fantastic afternoon from start to finish. The children thoroughly enjoyed decorating their own t-shirts to wear for our special event and even had their faces painted as monkeys! We want to find safer, more effective treatments for all young patients and with your generosity it has enabled us to support the amazing charity 'Children with Cancer UK' which is close to our hearts within our Nursery.
