Headmaster: Mr. Warren Honey BSc (Hons), MEd

26th February 2018

Dear Parent/Carer,

Following last year's Voice of Parent survey, a commitment was made to develop a Communications Charter. This was a response to some concerns raised about the quality of communication between home and school. As you know, improving communication has been a key focus since the start of this academic year, and it has been good to hear how many of you feel we are developing positively in this regard.

However, we wish to keep improving and ensure that it is clear to all parties about the expectations we have regarding forging the strongest home-school links. Thus, I am pleased to announce the launch of our Communications Charter. We have used the points raised in the survey - along with last term's Parental Engagement Group and other informal feedback - to create a set of principles about how we will communicate with you as parents, and how you can best feed back to us.

The Communications Charter will remain available through the website. Should you require a hard copy, please contact the Office so one can be printed off for you. As is appropriate for a document about communication, we would welcome any thoughts you may have about it, which may allow us to improve it over time and continue to enhance our offer to you.

With best wishes
