9<sup>th</sup> January 2020

Dear Parents/Carers,

## Hydesville Nursery Story Challenge

As you know I have transformed the conservatory into a new Nursery library for the children to explore and develop their love and understanding for books.

I am excited to inform you we will be starting our Hydesville Nursery story challenge on Monday 13<sup>th</sup> January. Each week the children will choose a book from our Nursery library to take home and read. For each book read at home there will be a stamp or sticker in the back of their reading books. At the end of the academic year, the child with the most will win a prize.

At the back of your child's reading folder please can you write and date the books you read at home as these will be included in the total.

Enjoying books and reading stories from a very early age is crucial in the development of children. It helps with their ability to understand words, use their imagination and develop their speech, as well as being something they really enjoy.

We are very much looking forward to starting our new exciting reading initiative with the children and are looking forward to watching them thrive.

Thank you for your continued support.

Mrs D. Jones

Nursery Practitioner
