## Playground Access Arrangements

Barrier access cards are available for Nursery parents upon request and are subject to a payment of £5.00, which is an admin fee for the academic year. In the event of a misplaced access card, please contact the school office to obtain a replacement.

All parking subscriptions are cancelled at the end of the school year and the access card should be returned directly to the school office. The access card will remain the property of Hydesville Tower School at all times.

The access card does not guarantee a parking space on the school site, and there is not prioritisation between access card holders.

Hours of access are 15.45-17:00.

The car park will be supervised from 16:00-17.15. Parents without an access card will be permitted to collect their child/ren from the main playground under staff supervision. The barrier will be raised upon request, subject to capacity. Within this timeframe, two parking spaces will always be reserved for Nursery parents.

The access card will operate the barrier when presented to the black box on the front of the barrier control box. A bleep sound will follow and the barrier will raise. You then have approx. 20 seconds to drive through the barrier.

To exit, approach the barrier in your vehicle and it will automatically raise.

Additionally, parents with mobility difficulties can apply for a barrier access card by contacting the School Business Manager, Peter Jeffery, via email: [Peter.Jeffery@hydesville.com](mailto:Peter.Jeffery@hydesville.com)
