Headmaster: Mr. Warren Honey BSc (Hons), MEd

Dear Parent/Carer,

The recent Cognita request for parents to scan the temperature of children at home made the national news on Friday:

<https://www.itv.com/news/2020-03-06/schools-introduce-stricter-measures-to-combat-spread-of-coronavirus/>

I hope you will be reassured that we remain on high alert, and always want to act to limit the risk of the infection reaching the school and hence impacting on families and the wider community. Any form of body temperature thermometer would be suitable at this stage, and will just give reassurance to you as parents that children are not coming in to school with a high temperature which *might* be an indicator of a coronavirus infection.

We will continue to follow the national guidance closely and will keep you informed with updates as they arise.

Kind regards

A handwritten signature in black ink, appearing to read 'Mr. Honey', written in a cursive style.

Mr Honey  
Headmaster
