Careers Guidance Policy

HYDESVILLE
TOWER SCHOOL

September 2020

1 Introduction

- 1.1 The purpose of this policy is to provide details about our careers guidance programme.
- 1.2 The Department for Education (DFE) makes statutory guidance available on careers guidance. This does not apply to independent schools. However, this policy incorporates many elements of the statutory guidance in order to benchmark against the most effective practice.
- 1.3 This guidance applies to all pupils from Year 7.

2 Regulations

- 2.1 The statutory regulations relating to independent schools states that pupils receiving secondary education should have access to accurate, up-to-date careers guidance which:
 - (i) is presented in an impartial manner;
 - (ii) enables them to make informed choices about a broad range of career options; and
 - (iii) helps to encourage them to fulfil their potential.

3 Overview and oversight

- 3.1 Effective careers guidance enables pupils to be well informed, well supported, know where to find information and choose a career or next step which is right for them.
- 3.2 We view careers guidance as connecting learning to the future for our pupils. We aim to motivate our pupils by giving them a clearer idea of the routes to jobs and future careers that they will find engaging and rewarding. We believe that good careers guidance widens pupils' horizons, challenges stereotypes and raises aspirations. It provides pupils with the knowledge and skills necessary to make successful transitions to the next stage of their life.
- 3.3 The member of staff with responsibility for oversight of careers guidance is Miss Danni Fairbrother.
- 3.4 The delivery of the careers education programme is a shared responsibility of the staff team.

4 Elements of our programme

- 4.1 Our careers guidance programme is carefully planned and can be found in annex 1. Our guidance is intended to be woven into the educational programme and provide inspiration so that our pupils are empowered to make their own evidence based decisions.
- 4.2 Details of external resources for staff, pupils and parents can be found in annex 2.

5 Evaluation and review

- 5.1 It is the responsibility of the Headmaster with the staff responsible for oversight to keep the programme under review.
- 5.2 The proprietor will evaluate the impact of the programme through a range of methods including discussion with pupils, discussion with staff and scrutiny of key data.

Annex 1: Careers Programme

Careers programme

Year 7	<p>Pupils understand how to manage their homework timetable effectively.</p> <p>Pupils learn strategies to help them cope in lessons if they are struggling or feel they are not being pushed.</p> <p>Pupils are involved in individual target setting and reflect on their learning in reviewing their progress</p> <p>Pupils look at different revision techniques to improve their study skills.</p> <p>Pupils will also have the opportunity to attend a number of careers talks/workshops from different employers, as part of the school's lunchtime careers talk programme</p>
Year 8	<p>Pupils understand that identity is affected by a range of factors, including positive self-esteem.</p> <p>Pupils will also have the opportunity to attend careers talks from different employers (based on the careers/jobs which are the most popular amongst that Year group, if possible)</p> <p>Pupils are made aware of a wide range of Revision Techniques and the most appropriate methods for their own personalised learning</p> <p>Pupils assess and examine the best ways of presenting their work in a variety of subjects and formats</p> <p>Pupils should gain an understanding of how they learn and their own individual preferred learning styles</p> <p>Pupils will also have the opportunity to attend a number of careers talks/workshops from different employers, as part of the school's careers provision</p> <p>Pupils complete the 'Fast Tomato' online careers profiling activities (first term), to help identify career interests and map these against aptitudes/skills</p>
Year 9	<p>Pupils reflect on and evaluate their achievements and strengths in different areas of their lives.</p> <p>Year 9 pupils are introduced to the GCSE options and will start to consider what choices will be right for them/what they would require to complete the GCSE at HTS.</p> <p>Year 9 pupils visit Walsall College for presentations on different career routes that are available.</p> <p>Year 9 pupils also attend a GCSE Options evening with their parents and are given a GCSE options booklet containing advice and information to help them to make the best choices</p> <p>Pupils receive information on future careers patterns in the UK, linking to GCSE choices and challenging them to consider how their GCSE choices may help or hinder them in their future career path choices.</p> <p>Pupils will also have the opportunity to attend a number of careers talks/workshops from different employers, as part of the PSHE programme.</p> <p>Pupils identify the main qualities and skills needed to enter and thrive in the working world and are helped to build some of these skills during PSHE, curriculum lessons, extra-curricular clubs and other activities such as Duke of Edinburgh</p> <p>Pupils complete the 'Fast Tomato' online careers profiling activities (first term), to help identify career interests and map these against aptitudes/skills</p> <p>All Year 9 pupils complete a questionnaire which enable a bespoke careers pathway to be planned for them.</p> <p>Year 9 pupils visit 'What Career Live?' at NEC</p> <p>Pupils prepare for and complete their work experience provision via Walsall College (July) including a range of vocational skills.</p>

Careers Guidance Policy

Year 10	<p>Pupils attend a tutor target setting evening (first term).</p> <p>Pupils reflect on and evaluate their achievements and strengths in different areas of their lives, linking this to possible career pathways</p> <p>Pupils are involved in critical thinking and lateral thinking exercises</p> <p>Pupils complete the 'Fast Tomato' online careers profiling activities (first term), to help identify career interests and map these against aptitudes/skills</p> <p>Young people are involved in thinking about their future career opportunities and the requirements of different employers.</p> <p>Pupils will also have the opportunity to attend a number of careers talks/workshops from different employers, as part of the school's careers provision, including the use of Enrichment lessons in the summer term.</p> <p>Year 10 and 11 pupils receive an introduction to post-16 Sixth Form/College Education (see date in calendar), where info and talks are provided + local colleges/6th forms/apprenticeship providers will be present for pupils/parents to talk to</p> <p>Pupils in Year 10 also have the option of a one to one careers interview from a trained careers advisor</p> <p>Year 10 pupils attend the 'Skills Show' careers show at the NEC in November, to gather info and ideas for future careers and educational pathways</p> <p>Year 10 pupils go out Easter, Summer or October half term for 5 days work experience supported by SIPs Education</p>
Year 11	<p>Pupils will attend a tutor target setting evening where they will review progress and set SMART targets, including their Post-16 options and grades needed.</p> <p>Pupils should update or produce a CV and form a letter of application for post 16 .</p> <p>Year 10 and 11 pupils receive an introduction to post-16 Sixth Form/College Education (see date in calendar), where info and talks are provided + local colleges/6th forms/apprenticeship providers will be present for pupils/parents to talk to</p> <p>Year 11 pupils have the opportunity to be interviewed by local Careers Advisor at to develop these skills</p> <p>Pupils will also have the opportunity to attend a number of careers talks/workshops from different employers, as part of the school's careers provision.</p> <p>Pupils complete the 'Fast Tomato' online careers profiling activities (first term), to help identify career interests and map these against aptitudes/skills</p> <p>Year 10 pupils go out Easter, Summer or October half term for 5 days work experience supported by SIPs Education</p>

Access to external, impartial advice

In addition to the work we undertake as part of our planned programme, we make pupils and parents aware of the following sources of information:

National Careers Service

<https://nationalcareersservice.direct.gov.uk> Tel: 0800 100 900

Labour market information

We actively encourage our pupils to access labour market information as this can help each pupil and their parent understand the salaries and promotion opportunities for different jobs. Labour market information (LMI) can be accessed from different sources. We signpost our pupils to the National Careers Service <http://www.lmiforall.org.uk>

Addressing the needs of each pupil

In order to ensure bespoke advice, pupils in Years 10 and above complete a questionnaire and then are guided according to their preferred pathway. Our approach provides equal access to support regardless of background. All years can also access guidance from form tutors and subject teachers. A 1-1 interview with a local career advisor is also available in the summer of Year 10.

Linking careers guidance to the curriculum

There are links made to careers guidance throughout our curriculum, for example:

Subject	Example
Business	Self-employment v working as an employee – studying the pros and cons and types of industry , including franchises. Methods of recruitment and the selection process
English	Support provided with writing CVs and personal statements, and general application process for Sixth Form applications and apprenticeships. Creative and factual writing challenges – linking to journalism careers

Encounters with employers and employees

We recognise the value of our pupils having access to both employers and employees to receive first-hand information about careers and next steps. We ensure that in every year group from Year 7 upwards, pupils participate in at least one meaningful encounter with an employer, as described above.

Experiences of workplaces

In addition to school-based encounters, pupils have first-hand experiences of workplaces. There is evidence that work experience gives pupils a more realistic idea of the expectations and realities of the workplace. We provide this in the following way:

Year 11 have a work experience week during October half-term.

Year 10 have their work experience through Walsall College.

Encounters with further education

We encourage every pupils to think proactively about their next stage of education. We believe that every pupils should realise that all of their educational choices have implications on their longer term career. Under the raising the participation age requirements (RPA), all young people in England are required to continue in education or training until at least their 18th birthday. We provide access to information in this area in the following way:

Year 11 pupils attend the 'Skills Show UK' careers show at the NEC in November, to meet employers, colleges and universities and gather info and ideas for future careers and Post-16 educational pathways.

Year 10 and 11 pupils receive an introduction to post-16 Sixth Form/College Education (see date in calendar), where info and talks are provided + local colleges/6th forms/apprenticeship providers will be present for pupils/parents to talk to

A local college, and apprentice provider are also invited in to offer info/advice on the different Post-16 educational options

Annex 2: Useful resources

Statutory guidance from DFE: Note that this is statutory for maintained schools and not for independent schools. It can be used as a useful source of information
