Headmaster: Mr. Warren Honey BSc (Hons), MEd

Dear Parents

We are delighted that you are using Cognita Connect to stay up to date with us. We are now at 80% uptake, which is good, but we need it to be higher! From **Monday 28th September** we will only be using Cognita Connect to keep in touch with parents/carers via email and text message.

We are also increasingly using the payments area of the app to manage after school club bookings. Cognita Connect is also the only place you can now access the school calendar. Therefore, it is extremely important that you download the app and begin using it straight away. We do not want you to miss out on important communications from us.

Please contact sarah.archer@hydesville.com if you require a new enrolment code.

I am also excited to share the launch of two key features this month:

a. Parent Portal – available from 23 September

This will give you easy access to your child/children's information such as:

- Basic information
- Parent information
- Contact address

b. Parents Evening – available from 30 September

This feature will make it easy to book appointments with the right teachers at a time that suits you.

Thank you again for your continued support with Cognita Connect.

Kind regards

Mr Warren Honey
Headmaster
