

Dear parent,

I hope that you are well.

To support your son/daughter bridge any gaps in his/her learning, I have created a Quizlet account to support pupils when learning vocabulary and tenses for Spanish.

Please can you ensure that your son/daughter signs up to my account using the below link:

<https://quizlet.com/join/6aWaZdtzA>

Quizlet will enable your son/daughter to review vocabulary and tenses more readily. Your son/daughter can also download the app on his/her mobile phone.

As we have completed half of the units to date, I have encouraged the Spanish pupils to spend **at least 10 -15 minutes per day** reviewing vocabulary. Many of them said that they had not reviewed enough vocabulary independently ahead of their Spanish mock examinations so I have created this account to facilitate their learning. I explained that vocabulary needs to be reviewed regularly when learning a foreign language and that vocabulary learning cannot be left to the evening before an examination. I will keep creating different sets to support the pupils and the pupils can also create their own sets for the Y11 class to refer to. If you can monitor the amount of time your son/daughter spends learning vocabulary this would also be greatly appreciated.

Thank you for your support.

Kind regards,

Miss Jenkins
