

Active reading at Hydesville Tower School!

Active readers develop these good habits:

1. Skimming the text to gain an overview of the topic. Can you summarise what you have learned at the end of each page?
2. Scanning the text, looking for specific information.
3. Read with a ruler to ensure fluency.
4. Circle or underline unfamiliar vocabulary – then check meanings in a dictionary!
5. Pay attention to the punctuation as you read.
