Prep School Extra-Curricular Clubs – Summer Term 2021

Leading independent education in Walsall for boys and girls aged 3-16 since 1952

Introduction

Welcome to our Prep School Extra-Curricular Clubs booklet. Here, you will find out more about the vast array of the clubs and activities that we have on offer for pupils to take part in.

Are they are a budding mathematician or scientist? Do they like to sing, play a musical instrument, dance or learn another language? Are they creative or sporty? Whatever their interest, we have a club to suit all interests.

The benefits of taking part in extra-curricular activities can never be underestimated; pupils have the chance to mix with others who may not be in their friendship group, they can develop existing skills or even spark a new interest. What's more, developing our young people and enriching their school experiences will undoubtedly give them confidence and a great sense of self-worth. So, turn the pages and feel the excitement as new opportunities unfold...

...innovative enrichment programme and extensive extra-curricular provision gives outstanding opportunities to develop the whole child.

SIS Inspection Report 2016
