Prep School Extra-Curricular Clubs – Spring Term 2023

Leading independent education in Walsall for boys and girls aged 3-16 since 1952

Introduction

Welcome to our Prep School Extra-Curricular Clubs booklet. Here, you will find out more about the vast array of the clubs and activities that we have on offer for pupils to take part in. Are they are a budding mathematician or scientist? Do they like to sing, play a musical instrument, dance or learn another language? Are they creative or sporty? Whatever their interest, we have a club to suit all interests. The benefits of taking part in extra-curricular activities can never be underestimated; pupils have the chance to mix with others who may not be in their friendship group, they can develop existing skills or even spark a new interest. What's more, developing our young people and enriching their school experiences will undoubtedly give them confidence and a great sense of self-worth. So, turn the pages and feel the excitement as new opportunities unfold...

Each Club is allocated a code (please see next to each title). The key for each code is below. Here you will see which category the club falls into and what the booking terms are for that club.
