

Hydesville Tower School

Prep School Enrichment Booklet

Summer Term 2024-2025

BAKING

YEAR 4-6

- Baking different cakes and biscuits following short and simple recipes with a summer theme
- Competing for winning 'Baker of the week'

Pupils will be given the list of ingredients needed the week before the session

Teacher: Mrs Kenton

Course overview:

- ⇒ Archery is a sport that involves shooting a bow
- ⇒ Learn the basic skills you need to shoot your perfect arrow
- ⇒ Pupils will work on the quality of their shots improving: stance, grip, place of arrow, aiming and drawing and more importantly the release

Teacher: Miss Fairbrother

YEAR 5-6

Course overview

TAG rugby is a fun, fast-paced, non-contact form of rugby that is easy and safe to play by boys and girls of any age and size.

It is excellent for developing coordination, teamwork, determination and physical ability.

We will also be entering TAG rugby competitions against local schools. Come along and play with pride for Hydesville Tower!

Equipment: PE Kit

Location: School Astro

Teacher: Mr Burnham

Course overview

This course is for pupils who want to be creative.

- We will be designing and decorating a t-shirt
- We will accessorise with our own hand made jewellery
- We will also design and make a matching money container and/or bag.

Teacher: Mrs Rees

Pupils will be required to bring in their own white T-Shirt for this activity

Course overview

Unlock your creativity and problem-solving skills with this hands-on coding adventure!

Combining online projects and Micro:bit challenges, pupils will:

- **Bring ideas to life** by creating sequences and exploring how coding works.
- **Solve challenges** with critical thinking and debugging.

Build resilience by experimenting, learning from mistakes, and improving their work.

Following the **Code Club program by Raspberry Pi**, children will learn block-based and text-based programming through exciting, accessible projects. By the end, they'll have created fun, functional projects and gained essential digital skills for the future!

Teacher: Mrs Majithia

Do you love Disney?
