# Introduction

Welcome to our Prep School Extra-Curricular Clubs booklet.

Here, you will find out more about the vast array of clubs and activities that we have on offer for pupils to take part in.

Are they a budding mathematician or scientist? Do they like to sing, play a musical instrument, dance or learn other languages? Are they creative or sporty?

Whatever their interest, we have a club to suit. The benefits of taking part in extracurricular activities can never be underestimated; pupils have the chance to mix with others, they can develop existing skills or even spark a new interest.

What's more, developing our young people and enriching their school experiences will undoubtedly give them confidence and a great sense of self-worth. So, turn the pages and feel the excitement as new opportunities unfold.

With free clubs we ask that only 2 are booked in the first instance to allow all students to access the opportunities. Once the initial allocation has been made communication will be sent to open any remaining spaces.

Please note late collection from clubs will result in enrolment in After School Club which is chargeable.

School management reserves the right to cancel any overbookings made at the start of the term.

**For oversubscribed clubs participation will be targeted at those students who have not participated in the current school year in the first instance.**

Please note Parent Pay will have a new version in Jan 26 - All Paid clubs will be available from Jan 26 onwards

**BOOKINGS FREE CLUBS ONLY – FRIDAY 5TH DEC. 25 5PM**
