

Hydesville Tower School

Spring Term 2025-2026

Prep School Enrichment Booklet

YEAR 4-6

- Baking different cakes and biscuits following short and simple recipes with a summer theme
- Competing for winning 'Baker of the week'

Pupils will be given the list of ingredients needed the week before the session

Teacher: Mrs Watson & Mrs Duffield

STRATEGY GAMES

Course overview

- Are you someone who enjoys playing games? I don't mean games that are just based on luck, but games that require skill and strategy.
- In our strategy games enrichment we will focus on multi-player games that call upon your aggression and wit.
- These games are fun, challenging and competitive. Bring yourself, some determination and a sprinkle of cunning and join this new, fun enrichment.

Teacher: Mr Burnham

Year 3 & 4 ONLY

Course overview

- TAG rugby is a fun, fast-paced, non-contact form of rugby that is easy and safe to play by boys and girls of any age and size.
- It is excellent for developing coordination, teamwork, determination and physical ability.
- We will also be entering TAG rugby competitions against local schools. Come along and play with pride for Hydesville Tower!

Equipment: PE Kit

Location: School Astro

Teacher: Mr Berry

APRON DECORATING

Course overview

- Pupils will have the opportunity to decorate your very own apron.
- You will be given lots of ideas before getting to work on your own design and then transferring those ideas onto the apron.

Teacher: Mrs Rees

Year 5 & 6 ONLY

Course overview

- Pupils focus on how to use basic principles of attack and defence
- Develop catching, passing and shooting skills
- Pupils will learn the rules and to be able to self-referee dodgeball
- Pupils will develop the skills necessary to outwit opponents. Passing, receiving, shooting, intercepting and beating an opponent will be developed through small sided games and conditional situations

Equipment: PE Kit

Location: Walsall University Campus

Teacher: Mr Flatley

Code, Create & Design – Your Tech Adventure!

Course overview

Ready to explore, invent, and have fun?

Join our Computing Enrichment Club and dive into an exciting world of **coding, creativity, and cool tech projects!**

Here's what you'll get to do:

- **Make your ideas come alive** by building games, animations, and projects with easy-to-use coding tools.
- **Solve fun puzzles and challenges**—become a coding detective and fix bugs like a pro!
- **Experiment and improve**—mistakes are just steps to success!
- **Design awesome graphics** with Canva to create posters, cards, and digital art.
- **Get hands-on with Micro:bit**, making gadgets and interactive projects that respond to the real world.

By the end:

You'll have created **amazing games, eye-catching designs**, and learned **skills that will power your future**—all while having loads of fun!

Teacher: Mrs Majithia
