

Ready to think beyond fabric and thread?

Course overview

This is your chance to push boundaries—combine materials, test unusual techniques, and turn bold ideas into unique textile art. From mixed media and recycled materials to fabric manipulation and surface design, there are no rules—just imagination.

Nature walks in the arboretum- whatever the weather!

Course Overview

Pupils will use the arboretum grounds to:

- Boost their fitness and well-being
- Spend time within nature
- Help the local environment through litter picking

Equipment: Coats as required and trainers

Location: Arboretum

Teacher: Mrs Booth, Miss Hamilton, Mrs Harding

Course overview:

Looking for a fun and exciting way to express yourself

Whether you love singing your heart out, performing with friends, or just enjoying great music, this club is the perfect place to build confidence, creativity, and stage presence in a supportive environment.

No experience needed—just enthusiasm!

Teacher: Mrs Wilson

BASKETBALL

Year 7 & 8 ONLY

Course overview

- Pupils focus on how to use basic principles of attack and defence
- Develop catching, passing, dribbling and shooting skills
- Pupils will learn the rules and to be able to self-referee basketball

Equipment: PE Kit

Location: Arboretum

Teacher: Mrs Khan (science), Mr Walker, Miss Fairbrother

PHOTOGRAPHY

Course overview

Each week a new photography challenge will be set. There will be a short workshop on composition, lighting, story telling and much more followed by a related practical challenge.

No professional cameras are necessary, but if you have one I can store it safely.

Pupils just need to bring along phone cameras to join in the challenges.

Teacher: Mr Roderick

Course overview

- Baking different cakes and biscuits following short and simple recipes with a summer theme
- Competing for winning 'Baker of the week'

Pupils will be given the list of ingredients needed the week before the session

Teacher: Miss Eynon

Year 10 ONLY

Course overview

Using our outdoor gym, students enjoy fresh air while improving strength, fitness, and teamwork through exciting, fast-paced workouts.

Get active, get stronger, and love fitness from the start!

Location: Arboretum Gym

Equipment: PE Kit

Teacher: Mr Berry

Year 9 ONLY

Course overview

Multi Skills focuses on embedding basic skills – such as agility, balance and co-ordination, which give building blocks, before moving on to playing a specific sport. Pupils will have fun engaging in a variety of skills activities

Equipment: PE Kit

Location: Arboretum

Teacher: Mr Flatley

STRATEGY GAMES

Course Overview

- **Playing chess** helps unleash your originality, since it activates the right side of the brain, the side responsible for creativity
- Are you someone who enjoys playing games? I don't mean games that are just based on luck, but games that require skill and strategy.

Teacher: Mrs Chattha & Mrs Johal
