Introduction

Welcome to our Prep School Extra-Curricular Clubs booklet.

Here, you will find out more about the vast array of clubs and activities that we have on offer for pupils to take part in.

Are they a budding mathematician or scientist? Do they like to sing, play a musical instrument, dance or learn other languages? Are they creative or sporty?

Whatever their interest, we have a club to suit. The benefits of taking part in extracurricular activities can never be underestimated; pupils have the chance to mix with others, they can develop existing skills or even spark a new interest.

What's more, developing our young people and enriching their school experiences will undoubtedly give them confidence and a great sense of self-worth. So, turn the pages and feel the excitement as new opportunities unfold.

With free clubs we ask that only 2 are booked in the first instance to allow all students to access the opportunities. Once the initial allocation has been made, communication will be sent to open any remaining spaces.

Please note, late collection from clubs will result in enrolment in After School Club which is chargeable.

School management reserves the right to cancel any overbookings made at the start of the term.

For oversubscribed clubs participation will be targeted at those students who have not participated in the current school year in the first instance.

ART CLUB

Art Club is the perfect place for pupils to express themselves through drawing, painting, sculpture, and more!

Whether you're a budding artist or just love to create, our club offers a supportive environment to develop your skills and discover new techniques.

Teacher: Mrs Rees

BALLET

Led by our professional external ballet instructor, Ballet Club offers a wonderful opportunity for pupils to develop grace, flexibility, and confidence in a fun and supportive environment.

Pupils will work towards ballet examinations in due course as they progress with these wonderful creative skills.

Teacher: Mrs Roadway

Additional Information: Pupils will be required to wear Hydesville ballet uniform which is available from <http://cla.mydancestore.co.uk> following the links to Hydesville Tower School.

CHESS

Take your chess game to the next level with our lunchtime sessions led by an external chess expert! Whether you're just starting out or looking to sharpen your skills, these focused, fast-paced lessons provide personalised instruction to help you improve your strategy, tactics, and overall gameplay.

The lessons will be taught in a fun and friendly environment where pupils will learn many strategies and tactics in an instructor-led workshop. Each session is designed to give you the tools and knowledge you need to think critically and plan your next move like a pro.

Offered to existing chess students in first instance.

Teacher: Mr Ghasi

There will only be two teaching groups available. The club will run if there is sufficient take up and during term time only.

CODING CLUB

Join our Coding Club and bring your ideas to life! Each week, you'll use simple block coding and fun challenges to learn how to sequence, create patterns, and solve problems like a real coder. You'll design mini-games, animate characters, and watch your creations come alive on the screen. Coding Club helps children develop creativity, concentration, and resilience—all while having loads of fun with friends. Whether they dream of making games or simply enjoy trying new challenges, Coding Club is the perfect place to start their coding adventure.

Teacher: Mr Staffiere

CRICKET

Are you ready to hit a six in both skills and fun?

Join our Cricket Club, where every pupil, no matter what experience level, can develop their cricketing abilities, confidence, and be part of a supportive team.

Whether you're aiming for the top or just have a passion for cricket, this is the club for you.

Teacher: Mr Flatley

Additional Information Pupils are required to wear their PE kit for this activity and should bring it in their PE kit bag on the day.

ELOCUTION

Unlock the power of your voice with our Elocution Lessons, designed to help you speak clearly, confidently, and with impact.

You will also have the opportunity to work towards LAMDA exams (London Academy of Music and Dramatic Art), gaining recognised qualifications as you progress. Our expert instructor will guide you through techniques for pronunciation, tone, projection, and breath control, ensuring you are ready for any speaking challenge.

Teacher: Miss Fahey

Additional Information: The spaces will be limited and will be offered firstly to pupils who are currently enrolled for Elocution, then opened to all if spaces remain.

FOOTBALL

Looking to develop your football skills, stay active, and have fun? Our football Club provides the perfect opportunity for pupils to enhance their game through skills training, tactical development, and match play in a supportive and engaging environment.

Teacher: Mr Flatley

Additional Information: Pupils are required to wear their PE kit for this activity and should bring it in their PE kit bag on the day.

KARATE

Led by our expert external instructor, Karate Club is the perfect opportunity for pupils to learn discipline, self-defence, and confidence in a fun and structured environment.

Through dynamic training sessions, pupils will develop essential karate skills, improve fitness, and build mental focus.

Teacher: Mr Cicarella

Additional Information To find out more visit www.kombatkids.com and to book please contact 07761 772924.

Karate kit required.

K'NEX

Let your imagination run wild in K'NEX Club, where building and creativity go hand in hand! Using K'NEX construction kits, pupils will design and build structures, machines, and models while developing problem-solving, teamwork, and engineering skills.

Whether you are new to K'NEX or a seasoned builder, our club offers endless opportunities to explore, experiment, and create.

Each session is a fun challenge that sparks creativity and inspires innovation.

Offered to new students in first instance

Teacher: Mr Burnham

LEGO

Unleash your creativity and bring your ideas to life at LEGO Club!

Whether you love building amazing structures, designing cool creations, or tackling exciting challenges, this club is the perfect place to explore, experiment, and have fun.

With teamwork, problem-solving, and plenty of imagination, pupils will develop design skills, patience, and creativity.

This club is initially offered only to students who have not attended it so far this school year.

Teacher: Mrs Duffield

LEGO MASTERS

Join our Lego Club and let your imagination come to life! Lego Club is the perfect place to design, build, and create amazing structures while having fun with friends. Each week, you'll take on exciting challenges that spark creativity, teamwork, and problem-solving skills. Building with Lego not only strengthens fine motor skills but also boosts concentration, resilience, and confidence.

Whether you dream of being an engineer, an inventor, or just love building for fun, Lego Club gives you the chance to explore new ideas and share your creations in a friendly, supportive environment. Come along and see what incredible things you can build!

Teacher: Mr Evans

MATHS CHALLENGE

Are you looking for a club that encourages children to think creatively, tackle challenges, and have fun with maths? The Maths Challenge Club offers exactly that. Each week, pupils come together to take part in strategy games, problem-solving activities, and mathematical puzzles designed to spark curiosity and build confidence. The atmosphere is lively and engaging, providing opportunities for children to explore maths beyond the classroom.

Teacher: Mrs Chand

MINDFULNESS

Take a moment to pause, breathe, and find balance in your day with Mindfulness sessions.

Designed to help you manage stress, improve concentration, and develop emotional resilience, our mindfulness classes offer practical techniques for relaxation and self-awareness.

Teacher: Mrs Majithia

MUSICAL THEATRE

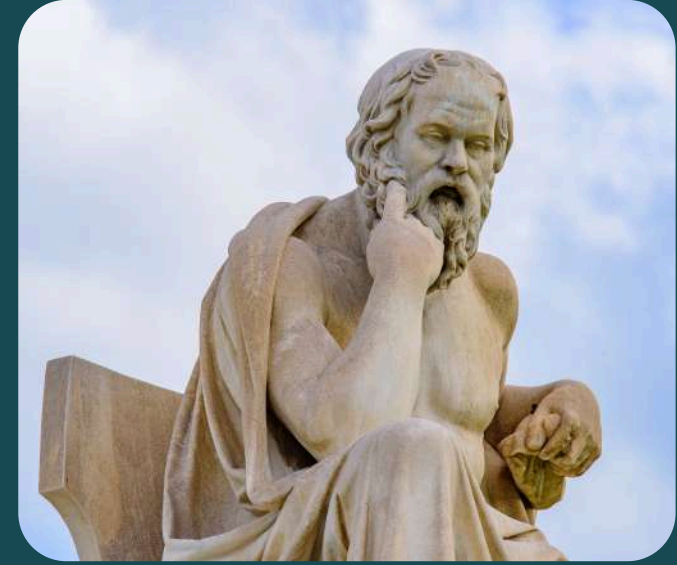

Are you passionate about performance? Join our club and unleash your creativity!

Whether you are an experienced performer or just starting out, this is your chance to develop your imagination, personality, and confidence through exciting performance techniques.

Explore new ways to express yourself and be part of a fun, supportive environment where creativity knows no limits!

Teacher: Mrs Brown

PHILOSOPHY

Do you love asking big questions about life, morality, and the universe? In Philosophy Club, we explore fascinating ideas, debate thought-provoking topics, and challenge the way we see the world.

Through engaging discussions, fun activities, and mind-bending dilemmas, pupils will develop critical thinking, reasoning skills, and open-mindedness—all in a friendly and supportive setting.

No right or wrong answers—just curiosity, conversation, and deep thinking! Come and explore the power of ideas with us.

Teacher: Mrs Samra

READING CLUB

Immerse yourself in a world of literature at our reading club. Seek the opportunity to relax and indulge in a good book, explore the wide range of genres available in our class library and take time to enjoy different authorial styles. This club offers children the opportunity to read to their peers, listen and discuss group texts and create reviews to inspire others in their reading. Children will further develop key inference and deduction skills in an engaging, fun-filled setting.

Teacher: Mrs Aiton

RECORDER

Are you interested in learning to play a musical instrument or improving your skills? Recorder Club is the perfect place to get started!

You will learn how to play beautiful melodies, develop music theory knowledge, and have fun making music with others.

Additional Information: Pupils must bring their own recorder, for hygiene reasons, which can be purchased from music shops. No Toy recorders.

Teacher: Mrs Brown (Years 2)

Teacher: Mrs Wilson (Years 3-6)

SPANISH

Join our Spanish Club and take your language skills to the next level! This exciting club offers a fun way to explore the Spanish language through interactive lessons, games, and engaging activities.

Whether you're a beginner or looking to improve, you'll boost your speaking confidence and gain a deeper understanding of Spanish-speaking countries and their rich traditions.

Come be part of the adventure and start speaking Spanish with confidence!

Teacher: Mrs Wild

SPARK & SKETCH

Picasso once said that he wished he could draw as well as a child, so here's your chance! This club is designed to stimulate the imagination and spark your creativity. Each week you will be given a new scenario which will encourage you to think flexibly and come up with individual, unique ideas which are personal to you. You will enjoy the sense of freedom and adventure that art can give you!

Teacher: Mrs Kenton

TENNIS

Looking to develop your tennis skills, stay active, and have fun? Our Tennis Club provides the perfect opportunity for pupils to enhance their game through skills training, tactical development, and match play in a supportive and engaging environment with a qualified and experienced tennis coach.

Teacher: Dan - Tennis Coach / Mr Flatley

Pupils are required to wear their trainers for this activity (no PE Kit required).

UPPER PREP CHOIR

Choir is the perfect place to explore your musical talent, improve your vocal skills, and be part of a fun and dynamic group.

Through exciting rehearsals, pupils will learn harmonies, breathing techniques, and performance skills while developing confidence and teamwork.

Whether you're a seasoned singer or new to choir, everyone is welcome to join in the joy of singing.

Teacher: Mrs Wilson

11+ TUITION

Looking to give your child the best chance for success in the 11+ exams? Our tailored 11+ Tuition offers expert support in key subjects such as English, Maths, and Verbal and Non-Verbal Reasoning.

With focused lessons, personalised guidance, and targeted practice, we will help your child to build the skills and confidence they need to excel in their 11+ exams. Our experienced tutors create a supportive and engaging learning environment to ensure each pupil reaches their full potential.
