FLOWER CRAFTING TO CANVAS

Year 4-6 ONLY

Course overview

Building a large section of a summer flower to canvas using tissue paper

It will take several lessons building up layers of tissue to craft your flower before painting with acrylics and water colours.

Teacher: Mrs Rees

Do you like to doodle?

Course overview

Doodling and drawing isn't just a fun way to while away a rainy afternoon, it is so much more than just a distraction.

Doodling is an adventure, a challenge and a fun way of expressing yourself.

So come along, be inspired and let your creativity do the thinking!

You may think doodling is nothing special but look more closely and you will see real creativity at work.

This is your chance to unlock your inner artist!

Teacher: Mrs Kenton

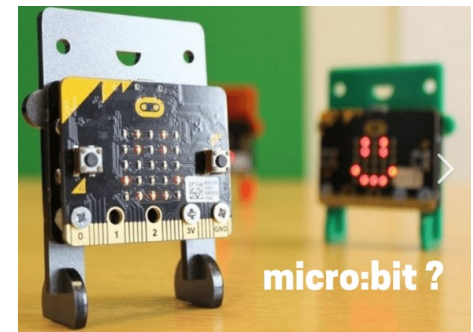

Code, Create & Design – Your Tech Adventure!

Course overview

Ready to explore, invent, and have fun? Dive into an exciting world of coding, creativity, and cool tech projects!

- **Make your ideas come alive** by building games, animations, and projects with easy-to-use coding tools.
- **Design awesome graphics** with Canva to create posters, cards, and digital art.
- **Get hands-on with Micro:bit**, making gadgets and interactive projects that respond to the real world.

Teacher: Mrs Majithia
