Introduction

Welcome to our Prep School Extra-Curricular Clubs booklet.

Here, you will find out more about the vast array of clubs and activities that we have on offer for pupils to take part in.

Are they a budding mathematician or scientist? Do they like to sing, play a musical instrument, dance or learn other languages? Are they creative or sporty?

Whatever their interest, we have a club to suit. The benefits of taking part in extracurricular activities can never be underestimated; pupils have the chance to mix with others, they can develop existing skills or even spark a new interest.

What's more, developing our young people and enriching their school experiences will undoubtedly give them confidence and a great sense of self-worth. So, turn the pages and feel the excitement as new opportunities unfold.

There are 3 types of Extra Curricular activities, Clubs - *Free booked as a club in Parent Pay*, starting wk. 21st September 9 sessions, Tuition Charged - booked as a Payment Item in Parent Pay, starting wk. 14th September, 10 sessions, and Private - externally booked and charged starting 11th September.

With free clubs we ask that only 2 are booked in the first instance to allow all students to access the opportunities. Once the initial allocation has been made, communication will be sent to open any remaining spaces.

Please note, late collection from clubs will result in enrolment in After School Club which is chargeable.

School management reserves the right to cancel any overbookings made at the start of the term.

For oversubscribed clubs eligibility may initially be targeted at students who have not participated previously in the first instance.
