Mindfulness

Course overview

Have time for mindful colouring, quiet crafts and jigsaw puzzles. Explore different types of calming music and read stories.

In the Mindfulness sessions you will learn about:

- ⇒ Strategies to stay calm and handle worries and stresses.
- ⇒ Activities you can do to help you to relax and stay calm.
- ⇒ Activities that will increase attention and focus, e.g. crafts and jigsaw puzzles.
- ⇒ Journalling to explore your thoughts and feelings.

We will experience different forms of mindfulness to allow you to practise these at home.

Meditation, Mindfulness Colouring, Jigsaw puzzles, Relaxing crafts, Journalling.

Teacher: Mrs Aiton

Course Overview

- Welcome to the wonderful world of sketching, learning how to bring ideas to life on paper.
- We'll practise essential skills such as shading, proportion and perspective.
- Activities will vary and include sketching from real-life objects, recreating the works of artists, as well as creative imaginative drawings.

The focus will be on building creative observation skills and confidence in artistic expression.

Teacher: Mr Evans
